

Bio :: Bill Godwin, Business Development & Sales

Current areas of focus for Bill Godwin are land and ranches in Grayson and Collin County, as well as Ellis and West Texas. Mid 2009, Bill Godwin formed an alliance with the Zepp Company bringing his knowledge and marketing expertise in raw land and ranches throughout the State of Texas. His territory extends to areas such as Mexico, New Mexico and Oklahoma which includes water and mineral rights. His hands-on knowledge also includes management of some the ranches. His continued focus is land and ranch properties in the above-mentioned areas.

Professional History: Since 2002, Bill has listed, sold and managed million-dollar projects from raw land to working and non-working ranches. His expertise also extends to the sale of commercial buildings all over the state of Texas. He has also been known to list/purchase residential homes for select clients. His networking abilities way surpass many. His success stems from the fact that not only is he a native Texan, born and raised in Midland, but from the fact that his family has been in the transportation business since the late thirties — he was raised in the transportation business. His networking abilities are at the top.

Godwin owned and operated transportation companies nationally and internationally. He learned to run the business from the ground up. The knowledge gained in the transportation industry has served him well. He recognizes the value of of each project to make the best representations for his clients. Godwin also worked in the National Football League for the Dallas Cowboys and the Seattle Seahawks part time for 31 years scouting, working the draft, negotiating and signing of player contracts.

Services: Project Leasing and the Sale of Industrial properties. The evaluation/sale of land parcels and ranches with some involvement in the management.
